

Tudor House at Night (+mulled wine) Thursday 17th December

Co-ordinator: Roy Fidoe

From 6:30pm – 9pm

9

To kick off the Xmas spirit, we thought it appropriate that the society arrange a social event to end our year. This is a chance to visit Tudor House, which I am sure you are familiar with, but (probably for most of us) we rarely take time out to visit it again. This will also be a chance to bring along partners/non-members - no surcharge. This is also one of Worcester's Late-Night-Thursdays so the events can be combined, and means, if Worcester retains its generous attitude of previous years, that late night parking will be free from 6pm in its car parks (Crowngate also has a reduced evening fee).

Tudor House Museum and the WIA & LHS welcome non-members, but to limit numbers, just one non-member per member, i.e. a couple, who are members can bring another couple.

Tickets will be £8 for one member plus one guest. A single member's only ticket will be £4.

This is a ticket only event, to be presented at the entry gate to Friar Street, limited to around 50 persons. Profits to Tudor House Museum.

Entry will be from 6:30pm and the entry gate will close at 7:30pm. The museum will close at 9pm.

Ticket includes a glass of mulled wine (or fruit juice) and a mince pie on entry. You then have time to look around the exhibition rooms, but at 7:30pm, when Roy has locked the gate, he will give a short 15 – 20 min talk on the history of the museum and its buildings, after which you will have more time to look around and purchase coffee/tea & cake in the tea room (available soon after Roy's talk).

Worcester's shops remain open till about 10pm, so there will be plenty of shopping time left, or a late night meal! You may leave at any time and can return (to collect partners) up till 9pm, but you will have to 'ring-the-bell' to gain entry.

Ticket @ Friar St. gate of Tudor House from 6:30pm to 7:30pm {SAE required} **Cost £8**

Tudor House at Night (with mulled wine) Thursday 17th December
